

GERMAN HORSE INDUSTRY

What do you have in the pipeline for 2020?

We will expand our databases of players of the equine industry and complete the market analysis of several countries to provide continuously useful information for GHI members and GHI friends.

What do you tip to be your best selling product(s) this summer?

GHI collects and share knowledge. This is always in demand.

Where can retailers find you on social media to stay up to date with your news?
